Test Case 3

Test Case ID: Hotel_ORM02	Test Designed by: <Martin> <Hornych>
Test Name: Database_ORM test02	
Brief description: preparing for launch	
Pre-conditions: completed TestCase 1-2	
Dependencies and Requirements: VSC or another editor, completed TestCase 1-2, I recommend Run your brain.exe file	

Step	Test Steps	Test Data	Expected Result	Notes
1	Start main.py		the program will start	if it didn't start, read the documentation and reademe
2	go to the customer interface		you will see customer interface	
3	Read customer	Id = 2	You will find a customer with ID 2	
4	Delete customer	Id = 2	customer with ID 2 will be missing	
5	Read customer	Id = 2	customer with id 2 does not exist	brain.exe stop working
